

## Process Capability & Design Services

### Application Concept & Feasibility Industrial Ink Jet Immersion & Training

- 2-Day Tailored Industrial Ink Jet System Training
- Application Assessment
- Economic Assessment
- Hands-on-Lab

\$3,000/2-Days

### Application Development & Optimization Engineering Lab Services

- Print Samples
- Fluid Testing/Sourcing
- Printhead Selection and Suitability
- Line Trials
- Leased Print Hardware
- Prototype Development

\$1,200/Day\*

### Industrial Ink Jet Systems Custom Development & Integration

- System Design and Fabrication
- Integration and Installation
- Application Support
- Fluids and Supplies
